SYMMETRY SMART

Symmetry Smart is among the most versatile fireplaces that we offer. This series comes in six sizes to choose from and only requires electrical power. Our WiFi enabled Symmetry Smart fireplace provides more control options, with vivid flames in three colors, a three speed motor and a new remote control. It's slim design allows for applications inside or outside, including semi flush mounted within a 50 x 100 mm wall and standardized sizing allows for hassle free installation at any stage of your project. Birch logs and crystal gems already come included, further enhancing the beautiful flame presentation. Symmetry Smart provides stylish and efficient heating for any room up to 400 square feet.

KEY FEATURES

- Can be fully recessed or Semi Flush Mounted within a 5 x 10 cm wall.
- SYM-XS surround required for semi flush mount applications
- WiFi compatible to connect and control the fireplace from your smartphone with the use of our app. Available on the Google Play Store and the Apple App Store
- Three flame speed motor
- Choose from combinations of yellow, orange, and red colored flames
- Two flame pattern styles – standard and more traditional
- Flame operates with or without heat
- Choose from 11 colors of canopy and ember bed lighting to illuminate decorative media from below and above
- Touch pad for convenient control of features and temperature display on the fireplace
- Programmable timer & thermostat allows you to decide the temperature of the room. Set your fireplace to turn on before you arrive home or have it automatically turn on when the weather is cold
- Patented thermostatic remote comes included

IDEAL APPLICATIONS

- Residential spaces
- Commercial spaces
- Restaurants
- New construction or renovations
- Outdoor use; refer to installation manual

AMBIENT CANOPY LIGHTING

Add more dimension and excitement to your SYMMETRY electric fireplace by illuminating Amantii's decorative media kits (or your own) from above. The ambient canopy lighting is located in the upper part of the fireplace and with the click of a button, choose from 11 colors of light.

Lighting On

Lighting Off

CLEAN FACE NO UNSIGHTLY VENTING

Unlike models made by other manufacturers, SYMMETRY models are unencumbered by unsightly venting. Venting and grills take away from the aesthetics of a fireplace and the SYMMETRY series have some of the biggest glass viewing areas in the industry. You'll see more of what is important - a beautiful, warm and comforting flame display.

TOUCH PAD

Convenient touch pad with temperature indicator display.

HASSLE FREE INSTALLATION

The SYMMETRY has been made with standardized unit sizing. This means that the opening for the fireplace can be made at any stage of a build, the appliance can be easily installed and finished with the included surround at the end of a project. The surround beautifully completes the fireplace without the need for finicky or costly finishing.

FIRE & ICE FLAME KIT FIRE & ICE TRAY KIT

This kit provides the necessary components to enable the FIRE & ICE presentation to be included with the Amantii Smart Fireplace. Symmetry Smart uses the latest cutting edge technology and innovation to provide instant heat, realistic flame and adaptive lighting.

SYMMETRY SMART OPTIONS

OPTIONAL SURROUNDS

Add a designer touch to your space with a beautifully finished Dark Grey or Bronze colored surround. These decorative surrounds will compliment Symmetry Smart fireplace in 50", 60" & 74" models only. The surrounds will arrive in a separate package.

Bronze

Dark Grey

FOR SEMI-FLUSH MOUNT INSTALLATION

For rooms where space may be at a premium, SYMMETRY Smart models can also be partially recessed within a 50 x 100 mm wall. The unit will sit 50 mm outside of the wall with 100 mm of the unit mounted inside.

- This install option requires the Semi-Flush Mount Surround (SYM-XS) to finish the look of the fireplace.
- The Semi-Flush Mount Surround has a black finish and has a depth of 57.30 mm
- The Semi-Flush Mount Surround must be purchased separately. Ships in a separate box.
- This application is only applicable to the SYMMETRY Smart. XT models must be fully recessed.

SYMMETRY SERIES | ELECTRIC FIREPLACES

FIRE GLASS

Our decorative fire glass media is a beautiful addition to your fireplace. Turn your fireplace into a expressive work of art by simply adding our decorative fire glass media. Our fire glass adds a distinctly modern feel to your gas fireplace - mix colors and textures for a unique appearance.

Our decorative fire glass is tempered and will not melt or degrade, some discoloration is normal on glass that is placed directly on the flame. Always wear protective gloves when handling fire glass media.

One 11 kg container of media will cover .092sq m

TRADITIONAL SMART

Distinguished by it's timeless elegance and exceptional quality, the Traditional Smart (TRD) series takes it's inspiration from its excellent construction.

The heater vents are concealed in the inner top of the unit for a truly clean appearance. This Traditional Smart fireplace will allow you to breathe new life into any space by adding warmth and ambiance even when the heat is turned off with its radiant flames that will not disappoint during any season.

KEY FEATURES

- Can be fully recessed or semi flush mounted.
- TRD three or four sided surround required for semi flush mounted applications
- WiFi compatible to connect and control the fireplace from your smartphone with the use of our app. Available on the Google Play Store and the Apple App Store
- Three speed flame motor
- Choose from combinations of yellow, orange, and red colored flames
- Two flame pattern styles – standard and more traditional
- Flame operates with or without heat
- Choose from 11 colors of canopy and ember bed lighting to illuminate decorative media from below and above
- Touch pad for convenient control of features and temperature display on the fireplace
- Programmable timer & thermostat allows you to decide the temperature of the room. Set your fireplace to turn on before you arrive home or have it automatically turn on when the weather is cold
- Patented thermostatic remote comes included

TRADITIONAL SERIES | FIREPLACE & INSERT ELECTRIC FIREPLACES

FIRE GLASS

Our decorative fire glass media is a beautiful addition to your fireplace. Turn your fireplace into a expressive work of art by simply adding our decorative fire glass media. Our fire glass adds a distinctly modern feel to your gas fireplace - mix colors and textures for a unique appearance.

Our decorative fire glass is tempered and will not melt or degrade, some discoloration is normal on glass that is placed directly on the flame. Always wear protective gloves when handling fire glass media.

One 5lb container of media will cover .09290304m²

THE CUBE SMART

The Cube 2025WM Smart 3-Sided electric fireplace offers an innovative fire feature with unique flame presentation and fire media options.

Use the included remote to combine the flame presentation colors of red, yellow and orange to your home with the help of today's technology and high definition LED accent lighting.

The 5000 BTU heater warms up to 500 Square Feet of space while the flames operate independently of the heater and fan. This versatile unit can be configured with a pedestal base, or as a wall mount depending on your preference. Give your home a more contemporary atmosphere with this beautiful electric fireplace.

KEY FEATURES

- 3 sided built in electric fireplace
- WiFi Compatible to connect and control the fireplace from your smartphone with the use of our app. Available on the Google Play Store and Apple App Store
- Three speed flame motor
- Heat Outdoor 5000 BTU
- No unsightly venting and grills seen. A true clean and vent free look
- Programmable timer & thermostat allows you to decide the temperature of the room. Set your fireplace to turn on before you arrive home or have it automatically turn on when the weather is cold.
- Touch pad for convenient control of the features and temperature display from the fireplace.
- Choose from combinations of yellow, orange and red colored flames
- Approved for indoor or outdoor applications. *Overhang required for outdoor applications
- Choose from 11 colors of canopy and ember bed lighting to illuminate decorative media from below and above
- Two flame pattern styles – standard and more traditional
- New patented thermostatic remote comes included

IDEAL APPLICATIONS

- Residential spaces
- Patios
- Outdoor spaces
- Commercial spaces
- Restaurants
- New construction or renovations
