LA NORDICA

Electric Fireplaces

Discover our new flame, capable of inhabiting any space, even where it previously seemed impossible.

Real Italian wood, installation without wiring, and advanced LED technology that recreates the authentic effect of a flame, for a realistic experience in perfect harmony with the tradition of our fire.

Adjustable flame, instant atmosphere, no flue, and a visual realism that transforms any space into a place of warmth and charm.

As lareiras elétricas Lumen foram criadas para levar o calor visual do fogo a qualquer espaço, sem limitações de instalação. Sem chaminé, sem obras: basta uma simples tomada para transformar qualquer ambiente num espaço acolhedor. A mais recente tecnologia LED recria a chama com um realismo surpreendente, valorizado pela utilização de lenha italiana genuína. A intensidade e o efeito da chama são totalmente reguláveis, adaptando o ambiente a cada momento, desde serões tranquilos a ocasiões mais formais. Design refinado, instalação imediata, zero emissões: a escolha contemporânea para quem não quer abdicar do charme do fogo verdadeiro.

Lumen elektriske peiser er skapt for å bringe den visuelle varmen fra ilden overalt, uten installasjonsbegrensninger. Ingen pipe, ingen rørleggerarbeid: én enkelt stikkontakt er alt som trengs for å gjøre ethvert rom om til et innbydende sted. Siste generasjons LED-teknologi gjenskaper flammen med bemerkelsesverdig realisme, forsterket av ekte italiensk ved. Flammens intensitet og effekt er fullt justerbare og tilpasser stemningen til ethvert øyeblikk, fra rolige kvelder til mer høytidelige anledninger. Raffinert design, umiddelbar installasjon, null utslipp: det moderne valget for dem som ikke vil gi slipp på sjarmene ved en ekte flamme.

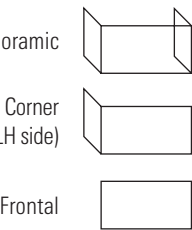

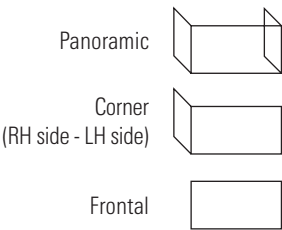

Электрические каминь Lumen созданы для того, чтобы визуальное тепло огня можно было ощутить где угодно, без ограничений по монтажу. Никакого дымохода, никаких коммуникаций: одной обычной розетки достаточно, чтобы превратить любое помещение в уютное пространство. Современнейшие LED-технологии воссоздают пламя с удивительным реализмом, усиленным использованием настоящей итальянской древесины. Интенсивность и эффект пламени полностью регулируются, создавая нужную атмосферу в любой момент — от тихих семейных вечеров до более торжественных поводов. Изысканный дизайн, мгновенный монтаж, нулевые выбросы: современный выбор тех, кто не готов отказаться от очарования живого огня.

Lumen elektrikaminad on loodud selleks, et tuua tule visuaalne soojus igale poole, ilma paigalduspiiranguteta. Ei korstnat, ei torustikku: üks pistikupesa piisab, et muuta iga ruum kutsuvaks keskkonnaks. Viimase põlvkonna LED-tehnoloogia loob leegi erakordse realismiga, mida rikastab ehtsa Itaalia puidu kasutamine. Leegi intensiivsust ja efekti on täielikult reguleeritav, kohandades meeleolu igale hetkele — rahulikest õhtutest pidulikumate sündmusteni. Raffineeritud disain, kohene paigaldamine, null heitkoguseid: kaasaegne valik neile, kes ei taha loobuda tõelise tule võlust.

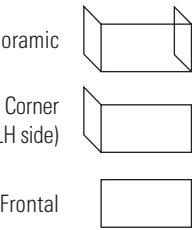

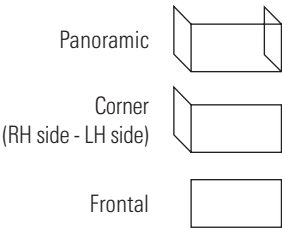

LUMEN 870

kW-N (min-max)	0 - 2,0
Dim. (WxHxD)	870 x 469 x 319
kg	37
Electrical consumption (heating OFF) (W)	21
Ventilation	Frontal

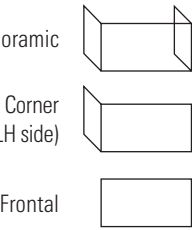

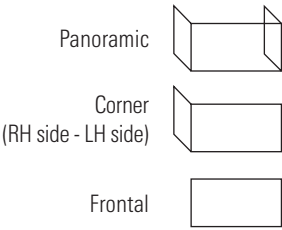

LUMEN 1200

kW-N (min-max)	0 - 2,0
Dim. (WxHxD)	1200 x 569 x 319
kg	54
Electrical consumption (heating OFF) (W)	27
Ventilation	Frontal

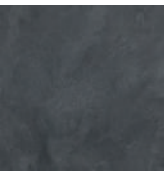

LUMEN 1600

kW-N (min-max)	0 - 2,0
Dim. (WxHxD)	1600 x 569 x 319
kg	72
Electrical consumption (heating OFF) (W)	32
Ventilation	Frontal

CLADDING KIT 870

Dim. (WxHxD)	1370 x 531 x 408
kg	15
